

DRIVE GREATER ZION

It's freedom, exploration, and adrenaline all rolled into one. Experience a wide variety of OHV trails, ranging from mountain forests to desert lowlands, rocky overlooks to rolling sand dunes. This part of Utah is one of the most scenically diverse places in the United States. Take to an OHV to discover things you can't from the road, and see ancient petroglyphs, narrow slot canyons, and beautiful sunsets on every drive.

Greater Zion plays host to some incredible events like the Winter 4x4 Jamboree, Trail Hero, and the Tri-State ATV Jamboree. Attending one of these events is an excellent way to become familiar with the terrain of southern Utah.

Whether you drive an ATV, four-wheeler, rock crawler, or Jeep there are fabulous trails waiting to be explored by you in Greater Zion. Bring your own or contact a guide or rental company
