MEETING PLANNER GUIDE

W E L C O M E

Dear Meeting and Event Planning Professionals,

Greater Zion is growing – and the vast changes to our vibrant community coupled with the astounding views have visitors constantly telling us that they ‘feel something different here.’ In the past few years, we have welcomed 2000+ new hotel rooms, a variety of unique meeting spaces, and completed other major projects (including an airport renovation with additional direct flights) that greatly enhance the overall visitor experience.

We continue to achieve incredible success as the host city for major events bringing attendees from all over the world including The Huntsman World Senior Games, St. George Marathon, Plain Air Art Invitational, St. George Art Festival, and multiple IRONMAN events. Greater Zion was selected as the host community for the 2021 IRONMAN 70.3 World Championship Race and we are incredibly excited to host an event of this magnitude for 7000+ athletes that come to compete and experience everything we have to offer.

Although meetings mean business, they also mean there is an opportunity for unlimited adventure and inspiration when business concludes. Greater Zion Convention & Tourism Office is the perfect guide to help elevate your meetings by providing facilities and experiences that will inspire your attendees. The meeting space in Greater Zion coupled with 360 degrees of inspiring views is the perfect combination to elevate your next event. Our team is dedicated to making sure your event runs smoothly and that your attendees receive a unique experience that they cannot find anywhere else.

We look forward to hosting your next meeting in Greater Zion.

"Loved Greater Zion's willingness to jump in and help plan, connect us to people we needed to make connections with partners, potential vendors, and anything we asked them for. They were the biggest help and made us feel so welcome. From day one, the staff at Greater Zion went above and beyond to help us make the summit an exceptional experience for our guests. From helping us plan and brainstorm to connecting us to the right people to coordinating welcome gift bags for our attendees at the hotel, the staff at Greater Zion truly helped make our event a success."
- Rose S. (Utah Office of Outdoor Recreation)

"Our attendees and vendors were thrilled to be in Greater Zion with such an amazing and user-friendly facility (Convention Center) to utilize in the winter months. Even in January, there was sunshine to spare and the beautiful natural surroundings offered a wide range of activities that everyone could enjoy. We will definitely be coming back to Greater Zion."
- Emilie B. (Clay Con)
